

SUMMER 2012

## News from the Neighborhood

by *Charlie Cole, Chair of the Goodpasture Island Neighbors*

- Wondering about how the Planned Unit Development (PUD) at Alexander Loop is going to impact traffic on Goodpasture Island Road? Come to the August meeting and hear about the project.
- We are fortunate to have the Delta Ponds in our neighborhood. Let's have a discussion about how we can help make it an even better place to unwind.
- Concerns about public safety on Goodpasture Island, particularly on the bike path, have been reinforced by the recent policy of early release of jail prisoners and the reduction in force of public law enforcement officers. We will have a facilitated discussion of these concerns at the next general meeting on August 14. It is important that the GIN membership show good attendance at that meeting. In the meantime, please be reminded to report incidents in a timely and accurate manner to the police by phoning 541-682-5111 or online at [www.eugenepolice.com](http://www.eugenepolice.com).
- We will have elections at the October 23rd General Meeting for the officers and to replace board members who have resigned. If you are interested in a leadership role, please contact **David Larson**, chair of the nominating committee, by phoning **541-345-7117**.
